Zepko Audubon Camp Scholarship 2021

The Connecticut Ornithological Association is pleased to announce that we will again offer one Zepko Audubon Camp Scholarship to nurture interest in bird study and conservation among young birders. The 2021 Scholarship will cover the full cost (\$1,695) of "Monhegan and Hog Island Birding for Teens" program from July 18-23, 2021. The cost includes housing, boat travel and all meals.

The scholarship recipient will be responsible for transportation costs to and from camp. All participants must agree to the COVID-19 Camp Guidelines – please read the information at <https://hogisland.audubon.org/covid-19guidelines> before applying.

This intensive 6-day, 5-night program on Monhegan and Hog Islands allows enthusiastic young birders to work with some of the country's best-known birders and ornithologists on field identification, bird ecology and conservation, including a unique opportunity to see Audubon's seabird restoration work in action.

REQUIREMENTS: Applicants must be a resident of Connecticut, ages 14-17, and must submit a written application along with two letters of reference. Preference will be given to applicants with individual or family COA memberships. To be considered a member, an applicant may join the club at the time of application.

Completed applications and references must be received by the COA by **April 10, 2021 no later than 5:00 pm**. We prefer that completed applications and letters of recommendation be sent by Email to Maureen Wolter at mwolter22@yahoo.com. Applications and letters of recommendation may also be mailed to Maureen Wolter, 72 Fieldstone Lane, Beacon Falls, CT 06403.
